Here's a Delightful Room

You may have seen this charming Barre room.

The color scheme is creamy tan; the woodwork dark brown. At one end is a big hospital fireplace of dark red brick with a little window curtained in green, high up on each side.

A long library table in fumed oak brings all sides of the room together. A couch covered with green—and big craftsman chairs with brown leather cushions make the room complete.

Everyone feels "at home" in this room. Does your living room effect people that way?

We can produce that effect for you at a low cost.

"FINER FURNITURE FOR LESS COST"

You like that motto?

Pasted it on our hat-band when we began business. Keep it in front of us day in and day out. Dream about it at night.

That's the motto back of this store. You'll recognize it every time you look at a price or a piece of furniture.

You've never seen such remarkable everyday bargains anywhere. And now's the time to look.

Just one new piece of furniture for Thanksgiving.

STOUFFER'S HAND PAINTED CHINA DINNER SETS

Talks on the Thanksgiving Table

You know that in your circle of friends there is always some little woman who serves a dinner so much more delightfully than anyone else without any great expenditure. It is a knack, of course, but not a knack that cannot be acquired. It's not so much the abundance of food prepared as the manner and way these different dainties and good things are served on the table. A well-prepared Thanksgiving dinner is delightful, but how much more enjoyable it seems when served on tasteful China Dinner Ware.

The above cut shows one of our latest patterns in

"Stouffer's" Hand Painted Initial China Dinner Ware

Learn our easy buying plan to-day and then start on your China Dinner Set. No other time in the whole year requires them more than Thanksgiving, Christmas and New Year's.

Whether you buy or not, see this new pattern now displayed.

One stormy night four years ago, as the story books would say, an officer of the police department plying up and down his beat, met a forlorn looking stranger who asked for a square meal.

The officer in question "staked" the long-waited one for a substantial lunch and went his way. Yesterday, the "after many days" sequel to the Good Samaritan act came to pass, and the stranger called at the police station and left an ample sum of money in the hands of the chief to be given to the officer who befriended him.

The man declined to give his name, but said that he had always remembered his experience with the charitable Barre policeman.

The Barton Monitor states that H. Charnick of this city has leased the Barton quarry in Barton for a term of six years and in the spring expects to install power derricks and much additional equipment at the quarry and to greatly increase the output. This has been the leading quarry in Barton stone for the past few years and will now be operated under the name of the Barton Quarries company. That town expects the new deal will give a great impetus to the granite industry there. Prospecting is being continually carried on and good quarries are forthcoming in several places on Barton mountain. Several parties are also interested in locating additional stone sheds in town and it is hoped that the cutting end of the business will be expanded soon.

A Certificate of Insurance

A written guarantee is used only where it is needed, where a man's word is not enough. When you speculate in buying unseen land in Florida, it's best to demand a written guarantee. When you take a check from a stranger it's wise to get a guarantee or witness as to his identity. But when you buy merchandise of any reliable firm you do not need any written guarantee, the name of the firm is a guarantee, that if any merchandise bought is not just as represented or entirely satisfactory you are not only entitled to, but expected to come back for proper adjustments. The personality of any firm should be shown in every person connected with the business, this forming one of the strongest "Certificates of Insurance" any firm can have. Our constant study is to have only goods that will make for us, and the trade, the strongest "Certificate of Insurance."

Ladies' Tailored Suits

At this time in the season we begin to have a lot of odd Suits that we cannot duplicate. That is, Suits that are a little different, and the cloths are all closed. These Suits we do not care to carry into the winter season, as it will be impossible to get duplicates on them. These we are putting onto our rack to close at once.

At \$10.00 are a few odd Suits that are made in the season's best style and of an all wool serge or good quality worsted, and are Suits that have sold at \$15.00.

These are a good Tailored Suit and are lined with a good guaranteed satin lining.

At \$12.50 are a number of odd Suits in the season's best styles; are made up in worsteds and mixed novelty goods. Are extra good values to sell at the regular price, \$18.00. If you can find your size, they are surely extra good values.

At \$15.00 are a few odd Suits in serges and novelty cloths that sold at \$20.00, to close at \$15.00. There are also a few odd Suits in the better grades, that we are selling away under price to close.

Cotton and Wool Blankets

We have a few of these Single Blankets left that we had the special sale on last Saturday. These are a good twilled cotton Blanket, and a Blanket that sold in the regular way at \$2.50 per pair.

These are Blankets that got slightly soiled or where one of the pair was torn or cut before coming off from the loom. Are not loom ends, but good heavy Blankets and are fully worth the regular price. We are selling these Blankets at 65c each.

This lot of Blankets are all cut and bound with a good Blanket tape; are finished the same as the fine, all-wool Blankets. You need to see them to appreciate their value. Remember the price is 65c each.

We are selling a good weight ten-quarter Blanket in white and gray at 49c per pair; also a good heavy Blanket in white and gray at 75c per pair.

At from \$1.98 to \$8.50 are some of the best values we ever offered to the trade.
